## PARENT/CAMPER STATEMENTS

I understand that our personal insurance is the primary coverage for my child and that each camper is covered by limited insurance. In case of emergency I give the camp permission to prescribe medication and secure treatment for my child's care. The camp will contact me as soon as possible. I will not hold the Camp Assurance, or its staff responsible in case of accident or illness. I give my permission for my child to participate in all camp activities including trips away from the campgrounds.

## PARENT/GUARDIAN SIGNATURE

I will cheerfully obey the camp rules and conduct myself as I am instructed. I also agree to follow camp's "modesty standard". By my signature I agree to be held accountable to this statement.
